NOTES

- The Stonelock™ collection is designed to have a natural look. Please expect variations in color and some chipping and non-perfect edges. These details are intended to enhance the appearance of the pavers.
- Pavers should be installed from several pallets at a time to maintain the best color consistency.

PRODUCT DATA SHEET

REGION
EAST COAST

SERIES
STEPLOCK®

STYLE
STONELOCK™

The rustic look and textures of an uneven natural stone with all the benefits of sand-set interlocking pavers.

The natural beauty of Stonelock™ pavers add the earthy look of stones and a smooth touch of class to your deck.

The Stonelock™ collection is part of our Steplock® Line, exclusively designed for pedestrian applications.

APPLICATIONS

Designed for use in pedestrian applications including patios, swimming pool decks, walkways, stepping stones as well as architectural and decorative uses such as raised walls, fountains, benches and planters.

CUSTOM COLORS

Custom colors available typically for minimum quantities of 10,000 square feet.

4x8x1-5/8	93x200x40	PAVER	<p>Stonelock™ pavers are part of our Steplock® Line, exclusively designed for pedestrian applications including patios, swimming pool decks, lanais, walkways and more.</p> <p>Pavers are calibrated to achieve a uniform thickness of approximately 1-5/8".</p> <p>The beveled cushioned edge on our pavers help to prevent tripping hazards and aids the installer in the leveling process of the paver installation.</p> <p>Each paver is factory pressed which produces a paver that averages over 9,000 pounds per square inch (PSI). This makes our paver extremely durable and less porous than poured concrete.</p> <p>This highly dense product resists staining, helps to prevent algae and mildew from attaching itself to the surface of the product and it's impervious to damage from saltwater pools</p> <p>Our pavers require very little maintenance and sealing is optional.</p>	4x8x1-5/8	93x198x40	Single sided	<p>Single sided coping is available in all Steplock® decking styles. This ensures that materials used for architectural solutions will coordinate with the Artistic Paver decking material.</p>
